2 Day Program

Wednesday & Thursday

9:00-1:00 p.m.

\$164

Registration fee—\$60

Our Philosophy

Mom's Day Out is a special day for parents and children. Our philosophy is to provide a safe, nurturing, Christian atmosphere where infants and toddlers can explore and learn. Infants are given a lot of care and attention while toddlers enjoy a relaxed environment with lively fun. Children are served a morning snack and served a lunch brought from home.

The Mom's Day out is a nine month program offered Wednesdays and Thursdays from September through May. Children 6 months to 30 months are eligible to enroll. A non-refundable registration/supply fee of \$60 must be paid when enrolling in the program. The registration supply fee reserves your child's spot in the Fall.

Our Staff

Our staff are highly qualified, experienced caregivers. The staff will enhance, encourage, and nurture children's development by providing a variety of developmentally appropriate activities. We have full time teachers in the classrooms who participate in continuing education, Early Childhood Safety and First Aid workshops. The director is available at all times.
