

Dear Families,

As we are ending 2011 and moving forward into 2012, we pause to realize how blessed our children are to be enrolled in a school that offers academic excellence in a safe, loving and caring environment here at Lighthouse Christian School.

As tuition covers our operational expenses, the cost of debt service for the new building is the gap that we need to close. We are writing to you to request your assistance in “bridging the gap”, by making a tax deductible donation directly to the LCS Annual Fund. These funds will be used to directly pay the debt obligation incurred for the construction of our beautiful educational facility.

As you are planning your 2011 year-end tax deductible gifting or budgeting for your 2012 gifting, we would greatly appreciate your consideration of including LCS Annual Fund as part of your tax planning.

If you are employed by a company which matches charitable contributions, please obtain a matching gift form, fill out the required information and attach it to the LCS Annual Fund Donation/Pledge Form along with your gift.

Here are some suggested levels of giving:

Admiral	\$5,000 or Above
Captain	\$2,000 to \$4,999
Navigator	Below \$2,000

Admiral level of giving will have their name added to a plaque on our giving wall located in the school lobby.

If you are interested in contributing to the Annual Fund, please complete the attached form and return it to the front office of the church or school. For your convenience, donations may also be made on-line at [www.pinkpres.org](http://www.pinkpres.org).

If you need any further information or have any questions, please do not hesitate to contact me at 954-258-6208.

Thank you for considering a donation to LCS Annual Fund.
