

The Coffeehouse Cabaret 2012 Presents:

Westminster 2025!!

Sunday, Feb. 12th at 4pm

The Prophets, we are told, were not magicians with crystal balls, predicting the future, but truth tellers. But, just because the prophet's didn't have the gift of seeing the future, doesn't mean that others don't. The youth are preparing to share their - not insignificant - gifts of foresight with us all in this year's Coffeehouse Cabaret. Just as the city of Minneapolis has been planning and visioning for what the future will bring, so too have the youth of Westminster.

Join us for this annual variety show, to look into the youth's crystal ball!
