The Back To School Bonanza was a HUGE success! Breakfast was hot and tasty. Over 100 school supply packs and 50 health kits were given out. Many students were registered for the FUTURE After School Program. We were especially excited to use our downstairs Masterworks Studio for the first time as our Clothing Store, where all of our families found more than enough for their children of all ages.

Whether you donated clothing or school supplies, time or money, good thought and prayers, you were an important part of this day. Thank you for making the Back to School Bonanza special for the Unity Center families.

Dear Broad Street family,
As members of the faculties of Cleveland High and Mayfield Elementary, we would like to express our appreciation for allowing Cleveland City Schools to have in-service at Johnston Woods. It is a beautiful site, and we enjoyed being there.

Thank you so much for the lovely luncheons you provided. Everything was yummy! What a great way to start a new school year. May the Lord bless you for being a blessing to us.

Glenn and Wanda Dent

Thank you for all of your thoughts, prayers, cards, visits and other expressions of love during Anita's illness and death.
