ROTATION Workshop Sunday School focuses on one Bible story for a four-week period. Our classrooms are designed to be creative, media-inspired, kid-pleasing workshops that teach Bible stories. Class groups rotate to new workshops each week for the 4-week "rotation" period. Workshop teachers normally do not rotate but repeat the lesson to a new group of children each week.

Our **5th graders** have their own class for the fall and winter quarters. They are using the LIVE IT curriculum that focuses on:

1. building meaningful relationships with family, friends and most importantly Jesus Christ.
2. developing skills to make godly decisions in today's world.
3. using the Bible to understand how faith impacts our lives every day.
