ASSEMBLY

Senior High Assembly – For youth who have completed grades 9 through 12.

Junior High Assembly – For youth who have completed grades 6 through 8.

July 5–9, 2010, Emory & Henry College, Emory, VA

Scripture: Philemon 1:6

Theme: Participate!

Two awesome events, one fantastic week of discipleship, one terrific location. So what's so great about Assembly? Awesome worship, awesome people, and one awesome God. It's joining together with others your age to learn, grow, and laugh. It's waking up and worshipping God through word and song. It's coming to an event and leaving with a "family." It's an opportunity to open up, to get real, to focus. It's a chance to shift – your thoughts, your actions, and your life – from things of this world to the heart of Jesus. After all, true worship takes place when all people within a community seek the presence of God and are accepting of each other. That's the biggest part of Assembly.

A typical day at Assembly includes:

- ❖ Worship
- ❖ Family Group (your small group)
- ❖ Interest Groups (such as group games, a spiritual look at relationships, prayer practices, etc.)
- ❖ Free Time
- ❖ Evening Activity (such as a festival of gifts and talents, special worship, inflatable games, ice cream social, etc.)
- ❖ Dorm Group (smaller gender-based group)

This discount is not limited to the number of "friends" per registration, but you cannot exceed your total registration fee. The registrations must be received together (mailed in the same envelope.) A "friend" can only be counted once for one participant and does not need to attend the same Assembly, but must attend in the same year, whether Junior High or Senior High. Be sure to complete the "Bring a Friend to Assembly" information block on the Registration form.

"I talked and listened in family group discussions and got new ideas about God and was reminded of how incomprehensible God's love is and that beauty to God is what's on the inside."

"I grew in my prayer life, and I found forgiveness and found strength to stand by my values in a world that doesn't."
