# EVERYMEMBER Transformed

## What is Every Member Transformed?

*Every Member Transformed* is all about leading people to financial maturity by cultivating a culture of giving in our church and our community. Woodlawn Baptist Church is using a comprehensive plan, called *Financial Peace University* as part of our journey, to intentionally disciple our church about finances.

## What is Financial Peace University?

*Financial Peace University* classes will meet for two hours each Sunday night for 13 weeks, during which time the average family pays off \$5300 in debt and saves \$2700. Classes begin on February 12, 2012 at 5:00 PM.

## Seven Baby Steps of FPU

1. \$1000 to start emergency fund
2. Payoff all debt (except house) using the debt snowball
3. 3-6 months of expenses in savings
4. Save 15% of income into pre-tax retirement accounts
5. College funding for children
6. Pay off home early
7. Build wealth and GIVE!

If you are ready for this church-wide journey, see one of our *Every Member Transformed* team members in the lobby. Learn how *Financial Peace University* can change the culture of Woodlawn Baptist Church one member at a time.

Check out [www.daveramsey.com/fpu](http://www.daveramsey.com/fpu) for more information about Dave Ramsey and Financial Peace University or call the church office at 682-2924.

If you have paid, your FPU Membership Kit will be available for pickup in the gathering space on Sunday, February 5 & 12.

CHURCH OFFICES  
WILL BE CLOSED  
**MONDAY, FEBRAURY 20**  
IN OBSERVANCE OF  
PRESIDENTS' DAY

I am so excited about the opportunities that God is giving us to share our faith with the lost, whether it's through our Super Bowl party or weekly visitation or some other means. Divine appointments abound – we just need to be aware of God's activity in and around us.

I am also excited about the start of *Every Member Transformed (EMT)*. I am grateful to be a part of a church that is intentional about life change, and that it focuses not only on adults but on children and students as well. The principles we will be covering in *EMT* have greatly helped me and Amy, and I KNOW they will help you, too. These financial principles can have a HUGE impact on the lives of our students. I can't wait to see what God will do in them and through them in the days, weeks, months and years to come... by God's grace and for His glory.  
Bob
