

Meredith Drive Preschool Class Offerings for 2010-11

- Age requirements: 3's & 4's must be toilet trained/class age by Sept. 15. 2½'s must be 2 by March 15.
- Class preference: Please indicate preferences by ranking your choices on the registration form, considering time and campus flexibility if possible. Our two locations are just a short drive from each other and both offer excellent facilities, staff and, of course the same quality early childhood philosophies and curriculum.
