Blessing Time

Kristin Busby shares a  
John 13 blessing towel  
with son Luke

Recently five children in 1st and 2nd grade and their parents participated in our FAITH MILESTONES Towel and Basin series.

FAITH MILESTONES grows parents and kids using the five key ways we grow in faith.

Our next FAITH MILESTONES is Kids and Communion which is Wednesday, March 24.

Remember the FAITH FIVE, the five key ways kids and families grow in faith.

### Family time with Scripture

*The experience of being together in Scripture and talking about it*

### Associations with others of faith

*Being friends with and being around those with strong faith interests*

### Intergenerational worship regularly

*Experiencing God in worship and learning about God in faith communities*

### Talking about God

*Parent/Child conversations in the context of faith and faith issues*

### Helping others by serving together

*Working together with family and church in helping others*
