Have confidence in Jesus.

The New Testament, especially the Gospel of John, talks about "believing in" Jesus. But we have to be clear that it doesn't mean merely to believe that Jesus exists, or that Jesus is Savior, or any particular thing about Jesus. It means to have confidence in Jesus for everything he teaches and offers. That's how John 12:37 can say of many people who saw Jesus with their own eyes that, "Though he had done so many signs before them, they still did not believe in him." (ESV) They had no confidence in him.

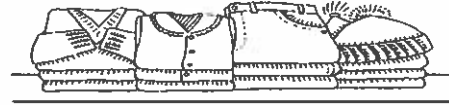

You can believe that dentists exist and that they are good and helpful, and you can still avoid them like the flu because you think you have a better idea for your teeth, or you're afraid of the pain required for dental health. It takes confidence to submit to the dentist to save your teeth.

Try reading John chapter 3 and thinking "have confidence in" whenever you see the "believe" words. Ask the Lord to show you practical ways to really have confidence in him. He will.

Confidently,
Bro. Rick

LAMPASAS CHILDREN'S CHOIR for Kindergarten thru 5th grade begins March 21st from 4:00 - 5:30 p.m. in Heritage Hall. Spring Concert Wednesday, April 25th @ 5:30 p.m.

I just want to thank my church family for allowing me the opportunity to participate in the ministry of the Centurymen. Our new CD, which we spent the week recording, will be released in 2019 to coincide with our 50th anniversary tour.

Since its beginning in 1969 in Fort Worth Texas, The Centurymen has reached hundreds of thousands with the Gospel in song. And today with the Technology of iTunes that audience has expanded worldwide. We were told of downloads of our music in New Zealand, Australia, The Philippines etc.

In July of 2019 we will have a ministry and concert tour throughout the state of Texas. The places are uncertain at this point except for one concert at Baylor University.

Thank you for your love and your support and for being my family of faith.

Looking Forward (Phil. 3:13)
Bro. Robert
