You find with this newsletter a copy of the proposals for both the Church budget and the weekday Preschool & Kindergarten budget for the new fiscal year that begins September 1.

Get acquainted with the proposals, and on Sunday evening August 13 these will be formally presented for discussion in the monthly church conference. Then the vote will follow Sunday August 20 at the conclusion of morning worship.

The practical ingredients of our lives boil down to time and money. They can be anxiety makers when we treat them like gods. They can be love in action when we treasure the real God (Matthew 6:25-34). Let's treasure every sweet direction Jesus is giving us.

Yours in Christ,
Bro. Rick

As I write this, our student ministry is working in Waco, Texas through Bounce Student Disaster Recovery, where youth join together to make a difference in the world. Bounce is part of Texas Baptist Disaster Recovery Ministries. Their goal is to Restore Hope, Rebuild Communities and Reflect Christ. Bounce is in Waco as part of their new Community Rehabilitation Missions. About 150 middle school and high school students from across Texas are there to paint houses, replace roofs, build entry stairs and ramps. They stayed at Columbus Avenue Baptist Church, and many Waco churches brought lunch all week to the 10 work sites.

Bounce Director David Scott said, "Though the people we are serving this week may not have experienced a disaster, they may feel hopeless because of their home's condition. It's my hope these students can help restore some hope through their service to residents this week."

Thanks Bro. James for leading our students to "Go ye therefore, and teach all nations".

That's the Gospel,
Bro. Robert
