1. the act of assisting
2. the state of being motivated
3. something that rewards

Sounds positive, doesn't it. This is our plan for four Sunday evenings in August- to encourage our missionary families and those in our NBC family.

On August 8 at 6:00 pm in East Hall, we will encourage Jeff and Laura Wilson by coming out and hearing how God is working through them in ministry. They will also be encouraged as we take their prayer requests and commit to pray for them.

We will encourage our India Team on August 15 at 6:00 pm in East Hall as we come to hear their report of how God used them this summer and praise Him for His goodness in partnership with HBI.

Our teams that went to Spain will be encouraged on August 22

at 6:00 pm in East Hall as they have the opportunity to tell us how God worked in their lives at L'Arcada, seeing God's faithfulness to them and the ministry of the camp.

It will be encouraging for our Ft. Hood Team (the "Hoodies") to tell us on August 29 at 6:00 pm in East Hall of their God sightings and daily challenges that they encountered in Texas during their

week of ministry there with David Powell and Military Children's Ministry.

Please plan to spend an hour of your Sunday evenings in the ministry of encouragement to our missionaries and our short term ministry teams. And, as is our custom, there will be refreshments.

It will be encouraging to see you there!

Oh, and please don't forget to sign-up at the Resource Center for CareFest which will be on Saturday morning, September 25. This is a great outreach opportunity to encourage others with a practical demonstration of the love of Jesus Christ.
