

SHORT-TERM TRIP CONTRACT

The following Contract is designed for the individual who has chosen to take a Northside Baptist Church sponsored short-term ministry trip. This Contract is to be viewed as a commitment to the Global Ministries Team and to Northside Baptist Church by the individual who signs this agreement, and therefore, considered to be binding.

The country/area trip I am preparing for is _____.

I, _____, agree to the following provisions of this Contract with no reservations:

- I understand that any outstanding fees due to the Global Ministries Short-Term Trip Account as a result of expenses from previous trips taken or any past, short-term training, must be paid in full before my current application/contract are submitted. (If you are in doubt as to whether you have an outstanding account, you may contact the Global Ministries Office for confirmation.)
- I understand there is a \$200.00 fee due when I submit my application. This fee is non-refundable (with the only exception that the Interview Committee would decide it would be best if I delay my short-term trip experience until a later date), but it will be added to the account that will supply the funds I need to complete this trip.
- I understand that the estimated cost of this current trip is projected to be \$_____.
- I understand that I am responsible for raising the funds to cover all expenses for my portion of the cost for this trip. That can be accomplished through team-sponsored fundraisers, support letters, and personal funds. The Global Ministries Office must approve my support letter and funds raised in any other way.
- I understand that all funds raised by me, though they will enable me to participate in the short-term trip proposed, are funds that are contributed to Northside Baptist Church. In compliance with IRS Tax Laws, I cannot claim any personal ownership of these funds.
- I understand that a record of the incoming funds will be kept to enable me to express my appreciation to the donors.
- I have read the Global Ministries Team Short-Term Ministries Trip Policy. I agree with the provisions and promise to abide by these policy statements.
