

Date _____

Dear _____,

My home church, Northside Baptist Church, is organizing a trip to *(Country Name)* as part of their partnership with the *(Partner Organization or Missionary Name)* and their ministry. I am excited about the opportunity to join with my church on this project, to minister to people in *(Country Name)*, and to see the Lord impact my own life. The *(Country Name)* Team plans to minister through *(Name types of ministries)*.

Short-term teams are a very intrinsic part of Northside's Global Ministries. For those of us who take advantage of these trips, they can provide a whole new perspective of missions and impact not only our lives but often the lives of those who enable us to participate through their financial and prayer support. Our Global Ministries budget cannot provide all of the funding needed for these trips so we are dependent upon other means of support in part, by your financial support.

Please prayerfully consider supporting our church in this ministry team by giving to the team's financial needs. All funds contributed will be used toward short-term ministries, which might include the purchase of ministry supplies such as Bibles, medical supplies, children's gifts, children's ministry supplies, or help other short-term team members in need.

If you are able to assist me with this endeavor, please fill out the enclosed commitment slip, include it with your check in the self-addressed envelope enclosed, and mail it to the Global Ministries Office. If you are not able to give financially, please pray for us ... pray that this endeavor will honor and glorify our Heavenly Father in all ways and impact lives with the Good News of Jesus Christ.

Sincerely,

Your name and any special handwritten, personalized notes.
