### FEARLESS

IMAGINE YOUR LIFE WITHOUT FEAR

by *Max Lucado*

Each sunrise seems to bring fresh reasons for fear.

They're talking layoffs at work, slowdowns in the economy, flare-ups in the Middle East, turnovers at headquarters, downturns in the housing market, and upswings in global warming. The plague of our day, terrorism, begins with the word terror. Fear, it seems, has taken a hundred-year lease on the building next door and set up shop. Oversized and rude, fear herds us into a prison and slams the doors. Wouldn't it be great to walk out?

Imagine your life, wholly untouched by angst. What if faith, not fear, was your default reaction to threats? If you could hover a fear magnet over your heart and extract every last shaving of dread, insecurity, or doubt, what would remain? Envision the day when you can trust more and fear less.

Can you imagine your life without fear?

### VeggieTales: Heroes of the Bible

"Daniel and the Lion's Den" from *Where's God When I'm Scared?* Daniel, played by Larry, finds

himself in deep trouble thanks to the King's conniving wisemen. Daniel learns that even in the lion's den, *he is still in God's hands.*

**Dave and the Giant Pickle** This Veggie version of David & Goliath pits Junior Asparagus against a really mean, really BIG, pickle! Little Dave learns that with God's help, even little guys can do big things!

**Esther...The Girl Who Became Queen** When a small-town girl wakes up with the weight of the world on her shoulders and the fate of her people in her hands, can she find the courage to do what's right? Kids learn that "you never need to be afraid to do what's right!"
