

Children's Ministry Mission Statement

Children are a wonderful and precious gift from God. Children are a priority and we must embrace them, nurture them, love them and lead them into a loving, growing relationship with Jesus Christ. We recognize that they are a part of our church community and have a valuable place in our church family. A vital and essential ministry to our children includes a viable ministry to their families.

“Jesus said, ‘Let the little children come to me, and do not hinder them, for the Kingdom of heaven belongs to such as these.’”
