End of the Year Lake or Pool Parties

Bethesda’s Youth enjoy ending the school year with a party at the lake or around someone’s pool. If you have such a venue,

please let me know. We like to have one location for the middle school group and one for the high school group. Thanks for your continued support of our EPIC Youth Programs!

Youth Volunteers Needed! If you are available during the week of June 26-30 to help with Vacation Bible School, please let Brent know ASAP! We have lots of fun and teach little kids about God’s Love!

Montreat! We currently have 17 youth and four adults signed up to attend Montreat 2017. It’s not too late to attend. Call John Gardner (427-7372) to reserve your spot.

What Great BONFIRES we had! We thank the Palmers and Guys for hosting this most fun event!
