FAITHLIFT

SATURDAY, APRIL 10, 2010

“A WAKE-UP CALL”

“Whoever has ears, let her hear what the Spirit says...”

- Revelation 2:7 TNIV

Laurie McIntyre, speaker
Covenant, praise and worship

FAITHLIFT 2010

Wake up calls come in various packages. Some are welcome - catching a flight, being on time for a meeting, etc. Others are devastating - like Hurricane Katrina or 9/11. Others come in the form of medical results, or a friend's loving confrontation. At their very heart, wake up calls are meant to shock you from your sleep.

Join us at Faithlift this year as we explore, and are challenged to, how to live a life that transforms us from the inside out!

We welcome Laurie McIntyre to Faithlift 2010:

Since 1990, Laurie has served as Pastor of Women2Day at Elmbrook Church, a dynamic women's ministry drawing over 1,200 women weekly. A gifted speaker and contributor to several popular leadership publications, Laurie combines her passion for women and sound knowledge of God's Word to effectively communicate His truth and its practical application in everyday life.

Her unique blend of humor and storytelling have brought hope and healing to hearts around the world.

Laurie and her husband, Bob, reside in Brookfield WI with their two daughters, Anna and Makayla and their two new puppies, Sable and Tanner.

We also welcome COVENANT back to Faithlift!
