

## Children and Youth on Sundays

### High School – Grades 9-12

(including upcoming 9th graders)

Sundays 9:30am in the Venue (H.S. room)

The Sunday Morning Gathering is a place where students learn what it means to live their lives as followers of Christ. This summer we are excited to use a great curriculum called “LIVE”, that provides a healthy congruity between the study of God’s word and the application that is critical to our understanding and transformation.

### Middle School – Grades 6-8

(including upcoming 6th graders)

Sundays at 9:30am in the Gym

Summertime is a great chance to get connected with or stay connected to the students and leaders in the Middle School Ministry. Each week we’ll start with an activity, followed by worship in the arts. We’ll spend time looking into God’s Word by studying the Psalms this summer. Teaching, small group discussion, games and prayer will help us get to know each other better and help us get to know God as well. We would love to have you join us.

### Summer Sunday Schedule for Children

Children’s summer classes are at 9:30 AM from Sunday, June 27 to Sunday, September 5.

## Sundays 9:30am

How does God want to shape and change us? How can holiness, faith, hope, love, and humility take root in our lives, even as we sometimes stagger through the complexity and challenge of daily living? In each class we will study and discuss this powerful epistle, which is doctrinally rich, amazingly practical and remarkably real. **The Rest of God—and Restoration of Your Soul** (begins July 11; Room 102).

It is too easy to stumble into summer utterly exhausted. We struggle with endless demands and stifling routines. Even our vacations tend to have a panicky, task-like edge to them. With the help of author Mark Buchanan and the experience of our teaching team, we will seek to re-discover God's in-depth rejuvenation and replenishment. Led by Judy Pierce and Friends.

July 11 - Finding what is missing and starting to stop  
July 18 - Seeing God's bigness and finding our center  
July 25 - Stopping to waste time redemptively and become whole

## Sundays 11:00am (cont'd)

**Building Core Values in Our Home**—a new multi-generational class (begins July 11; Room 205).

For five summer Sundays, we will explore the biblical foundations of the core values of our church through group worship, table discussion, Bible memory, and Bible study. Our goal is to connect and grow together across the age lines, as we strengthen and apply our five church core values in our personal lives and in our homes. All ages are welcome. Led by our Steering Committee.
