ELLIE LOFARO

Ellie Lofaro returns to another Grace Chapel Women's Ministries event with a wonderful blend of plainspoken truth, common sense practicality, and disarming humor. A serious student of Scripture and a keen observer of the culture, Ellie has developed a unique, often hilarious, teaching style that touches the heart, stimulates the mind, and nourishes the soul. With her trademark quick wit and convincing demeanor, she pairs biblical principles with life's deeper questions inviting the audience to join her in a journey toward a place of better understanding where they can apply God's grace and truth to their lives. Ellie is the author of four books, teaches a weekly interdenominational Bible Study, and is a frequent guest on Christian radio and television.
