

COMMISSION ON SINGLES MINISTRY

Singularity is now a norm in our culture. Singles ministry is intergenerational and based on spirituality and theology. We endeavor to serve adults who are single through personal and spiritual intentional growth. We welcome all adults who are single.

Re-Writing My Story is a workshop serving those who have been divorced or widowed.

The Liturgy of Healing and Wholeness and Blessing of Singularity, a service of The Holy Eucharist, is held every year on Palm Sunday afternoon. The Church of the Resurrection was our gracious host in 2009. This gathering each year is most meaningful and bonds us in a special way.

The Annual Conference of Solo Flight, the official Singles Ministry for the Episcopal Church, is held each Labor Day Weekend. Our 19th Conference was held at Roslyn Retreat Center near Richmond, Virginia. Roslyn is now the new home for us each September. Our diocese was represented. We were welcomed by the Rt. Rev. Shannon Johnston, himself a participant at one of the first conferences. Next year we look forward to a very special 20th Anniversary Conference. All Singles are welcome. The workshops are valuable and the fun is infectious. Our worship together is blessed.
