

Adult Choir

Director: Robbin Kuder, Associate Pastor of Worship & Praise

The Northwoods Adult Choir is the foundation of our worship ministry at Northwoods Baptist Church. They provide worship leadership, excitement, and energy with their special music and presence on the platform. The Adult Choir is a non-audition group that practices on Wednesday from 7:45-9:00 PM (child care provided), and sings in our weekend services. The Adult Choir usually presents two musical programs each year including an Easter musical and a praise and worship musical in the fall. All soloists and ensembles are selected from the Adult Choir, but you need not be a soloist to sing in the choir. Requirements for membership include a love and commitment to the Lord, a love for singing, and the ability to be faithful to practices and services. Music reading skills are helpful but not required.

Children's Choirs

The Children's Choir program is staffed with a team of dedicated, loving leaders who will help your child develop and enjoy the music that is already within them and use it to worship God. Besides weekly Wednesday fun with music during the school year, the older choirs learn and present a musical or two, and are usually included in our annual Easter program.

4's—5's begins at 7 PM in Room E-1.

1st—3rd grade begins at 7 PM in Room E-15/17.

4th—6th grade begins at 7 PM in Room E-15/17.

Orchestra

Director: Omar Allen

The Northwoods orchestra provides many opportunities to use God-given instrumental talents as we worship our Lord and Savior, Jesus Christ. Our primary purpose is to enhance and support the worship team by accompanying the choir and praise team as they lead in worship. The orchestra also performs offertories and preludes, and is an integral part of our biannual musicals. Additionally, there are many opportunities for solo and/or ensemble playing.

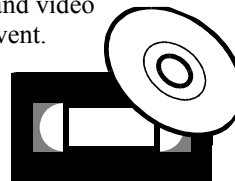

If you love the Lord, love playing your instrument, and can be faithful to practices and services, come to the Multi-Purpose Room (in the Education Building) at 7:45 PM on Wednesdays. A high school level of playing ability is preferred, but younger students are welcome to audition.

Media Ministry

Do you have a heart for worship and an interest in technology or electronic areas? You may want to get involved with the technical live event ministries at Northwoods. Our lighting, sound and video volunteers work behind the scenes to help enhance each worship service and special event.

If you are excited about operating a camera, adjusting stage lights, setting up microphones, computer graphics or a host of other hands-on activities. Call our office at 562-1188.

Youth Choir

Director: Robbin Kuder

The Northwoods Youth Choir meets on Sundays during the school year in the JoyDome Choir room. They frequently sing for our weekend services as well as participating in several large projects throughout the year including a Christmas musical, Associational Youth Choir musical, and summer choir tour. The Choir is a non-audition group and is open to students 6th-12th grade. The key ingredient to our successful Student Choir ministry is FAITHFULNESS.

Choir: 4:00-5:00 PM

Center For The Arts

The Northwoods Center for the Arts is ready to sharpen your skills or to teach you a new instrument. Our desire is to provide training in the arts for children and adults in an environment of Christian excellence. Our aim is to motivate individuals to use their talents for the glory of God in the context of personal and corporate worship.

Curriculum

Flute, Guitar, Drums, Piano, Strings, and Voice. Other instruments available upon request.

Enrollment Procedures

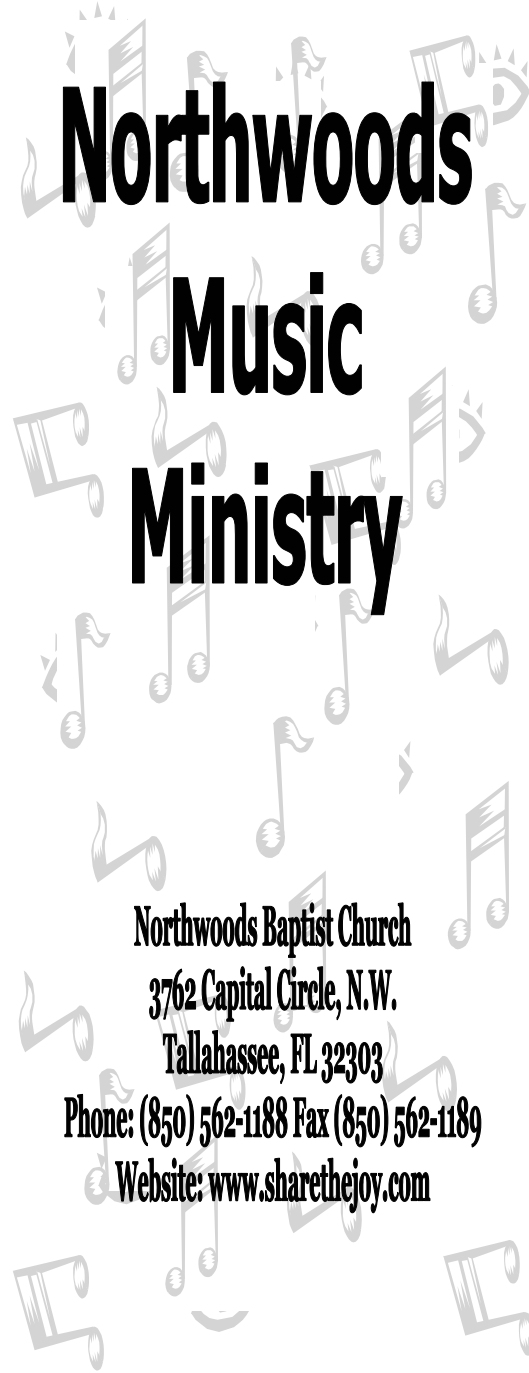

Prospective students and their parents are encouraged to contact the director, Linda Stringer, prior to enrolling in the Center. She will be glad to explain our offerings and expectations in more detail and to help you match your child with the right instrument and enroll your child in the program.

Call Mrs. Stringer at 539-1033 or 228-1485 (cell).

Art Classes

Ten (10) week sessions for \$70.00 per student. Call Melodie Adams at 656-7555 for more information and to register.
