Each year the Child Guidance Center of Greater Bridgeport accepts donations in an effort to provide our clients with gifts for the holiday season. Having raised a total amount of \$2,960 this year, the '2009 Holiday Toy Drive' was an enormous success! Your contribution has allowed us to offer toys and gifts to parents so they may distribute to their children, thereby reinforcing their role as the caregiver. Your donation has touched the lives of many families whom otherwise may not have been able to celebrate the joy of this holiday season.

The goal of the Child Guidance Center of Greater Bridgeport is to continue to promote positive child development and encourage the emotional well-being of children as well as to empower families by providing a nurturing, caring safe haven for children to grow and mature. With the help of donations from supporters such as you we will continue to see improvements in lives of children and families.

Once again, thank you for your generous support of our mission to address the emotional and psychological problems that children and families of our community are facing today.

Best wishes,

  
L. Philip Guzman, Ph.D.
