

SESSION #13 2 Thess. 3:6-15 (March 12th)

WATCH YOURSELF & YOUR COMPANY

What EXACTLY is Paul saying in Verse 6? _____

Do we follow through with such advice today? Why or why not?

Vs. 7-10 talk about how no one should be a burden. Instead, we should step up and help make a difference. How is this played out today? Do most people try to make a difference, or do they burden the few trying to make a difference? _____

On a scale of 1-10, do you see yourself as one who tries to help in making a difference (10) or one who lets others make a difference (1)?

Vs. 11-13 bring this home a little more! What 3 points does he make?

1. _____ = _____
2. _____ = _____
3. _____ = _____

What clarification does Paul bring out in vs. 14-15?

1. _____
2. _____

How do you do this in love and not as a “judge over others?”

What is an ACTION you can take NOW? _____

Looking over the focus of 6-15,
what can you walk away with today?
