

CAREGIVERS SUPPORT GROUP

... we provide a sense of belonging to all God's people through prayer, service, and the sharing of our gifts ... (OLPH Parish Mission Statement)

We meet on the last Sunday of the month at 7:00 pm in Room 8. We share our concerns and problems of taking care of a loved one who has a long-time illness. We educate caregivers by giving informational leaflets on how they can help themselves or where to get help. Through our prayers, we provide strength for one another.
