Dear Muskingum Valley Presbytery,

For the past 5 years, we have strategically replaced one cabin roof at a time, and the new roofs already installed cost \$5,000 each or more.

BUT this month, after a conversation with H&H Custom Homes about donating a roof, **God has given us an AMAZING OPPORTUNITY!**

A few days ago I received a construction quote from H&H Custom Homes to complete the remaining 4 CABIN ROOFS for only \$12,122. **If we can raise the quoted amount, EVERY cabin will be protected by brand new roofs and able to serve kids, families, and churches for another 40 years!** We will need to make this decision rapidly to honor the quote timeline.

Anything raised over and above the \$12,122 will be used to eliminate any mold created by leaking roofs, to restore cabin light fixtures, and to apply fresh mold-resistant paint to the interiors of all the old cabins.

We are grateful for the relationship with H&H that inspires them to support God's work here.

Will you help honor their generous quote with a gift to complete this project?

Give campers safe, dry spaces for years to come:

- **With a check:** Make payable to "Pleasant Hill Outdoor Camp," write "Roofs" in the memo line, and mail your check to 4654 Pleasant Hill Rd, Perrysville, OH 44864
- **Online:** Visit the website at phoc.org/give and type "Roofs" in the special instructions portion of the online form.

Thank you so much for giving kids a safe and loving environment!

In Christ,

Mark Gray
