# What??

The Bible Bookworm club is a 5 week summer reading program designed to help your child learn more about the people and stories of the Bible. Saxe Gotha Children's Ministries has put a huge emphasis on teaching the basic Bible stories to our children over the past year through the GPS series. This bookworm club will help with that by making the stories "stick" by providing an exciting reading time followed by activities, crafts, and a special thematic snack. Each child will purchase a book at the beginning of the program and each week we'll read one story from the book. The children are then expected to read on their own at home and will be given a prize for each level of reading they complete. Each group will meet every other Monday morning through the summer and we'll read one story from the selected book together.

## Registration Info

The cost for the program is only \$25! That's only \$5 per session and your child has a nice book to keep! Included in this fee are all craft/supply fees and a thematic snack each week that relates to the story! Registration ends May 25 and no additional books will be ordered. All fees must be paid by May 25 in order to secure a spot.
