CIY (Christ in Youth) Organization

History

Know Sweat is a program of Christ in Youth located in Joplin, MO, that began in 1995 with a single week of work projects. At that time it was called Jr. High Service Projects and was designed only for junior high students. Things have changed since those early days but the focus on service projects remains strong. Know Sweat has expanded the number of locations available and offered opportunities for senior high students to serve as well. Know Sweat still amplifies the call of Christ for junior and senior high students to be kingdom workers through age appropriate work projects. Life change occurs when the hearts and minds of students are challenged to demonstrate their faith in God and love for Jesus Christ by meeting the physical needs of people at a week of Know Sweat service projects.

His Heart.

Know Sweat wants every student to be in tune with

the heart of God and His love for people. God calls upon those who reflect His heart to demonstrate that love to their neighbors. Know Sweat amplifies the call of God's heart on students to love their neighbor by providing 5-day service trips.

Their Needs.

People need assistance with the most basic physical needs that are often overlooked by society. Know Sweat recognizes those needs and partners with communities to find the elderly, disabled, and low-income individuals and families that need help. The need is met through youth groups that partner with Know Sweat to serve these communities.

Your Service.

Know Sweat connects your students and those they serve to the heart of God through service. The work projects consist of home repair, ministry outreach and community service. Your students have the opportunity to be kingdom workers by demonstrating God's love for people in practical ways.

Trip Details

We will be serving in the communities of northeast Tennessee. The region is located in the Appalachian mountains with wonderful scenery, great American history and true southern hospitality. The partnership between Know Sweat and the community allows the students to serve people in a variety of ways that are age appropriate for middle school. All meals will be served in a newly renovated dining hall and there is a campus pool available during free time.

The cost for the trip is \$250/person and will cover food, travel, accommodations and materials. A portion

of the fee will be earned through participation in the annual Missions Dinner and Auction on March 20, 2010.

Requirements

Students interested in participation must have a willingness and desire to serve others, be able to participate with the Missions Auction and Dinner, attend team trainings/ meetings and work well together with others. An informational meeting will be held on Sunday, February 14th at 5:00pm. A non-refundable deposit will be due my March 1 to reserve a space on the trip. Final payment will be due on March 28.
