Children's Worship Opportunities at Saxe Gotha!

At Saxe Gotha Presbyterian Church, children are a very important part of our church family and are included in the worshipping community. Just as there are several different worship opportunities for adults, there are also options for the children. We hope that you will find this information useful and that worship will be a time of joy for your entire family.

When you attend:

8:30 Traditional Worship in the Sanctuary

- Children ages birth to 4 years old (after Sept 1) may attend our Nursery on the second floor of the main building. Please be sure to sign-in and give your child the proper Nursery nametag. Our friendly Nursery staff will be there to greet and assist you.
- Children ages 4 years old (before Sept 1) through 1st grade are invited to attend SPLASH children's worship in the SPLASH Zone. Children are asked to stay with parents in the Sanctuary to participate in the service until the Children's Moment, when they will be escorted by volunteers to the SPLASH Zone (gym). Parents, please pick your child up immediately following the service. Volunteers will not be able to take children to their Sunday school classrooms.
- Elementary aged children, 2nd-5th grade are invited to worship in the sanctuary with the adult congregation. Children's bulletins and activity bags are available to help guide children through the service.

Please join us for Sunday School from 9:45 am to 10:30 am

Classrooms for children ages birth through kindergarten are located on the 2nd floor of the main building. If your child is in the nursery for the 8:30 service, you will not need to move him/her to his/her Sunday school classroom. The Nursery staff will do this to ease this transition.

- Elementary children in 1st grade- 5th grade will meet first for a large group time in the Splash Zone. Parents will need to sign children into the Splash Zone for the first few weeks of the semester.
