## Mrs. Ball's Classroom Newsletter

### Letter of The Week!

January is a good month to do letter J. Joseph brought some J snacks that were just delicious. We had juice boxes, jelly beans, Jolly Ranchers, and Juicy Fruit gum. This week we'll be making jazzy jackets, jelly fish, and jacks-in-a-box.

Next week will be another review week as we prepare for our next progress reports going home soon. Keep working on having your child spell their last name out loud, as this will help them when they sign in with their name every day.

The 100<sup>th</sup> day of school is Monday, Feb. 15<sup>th</sup>!

### Reminders:

- Check your child's folder, today, for information on the 100<sup>th</sup> day of school.
- Try to practice your address and phone # every day.
- Make sure your child brings a warm coat to school. We go outside whenever we can!

### Animal Hospital Fun!

Thank you to everyone who went with us to the Animal Hospital. We had a great time and learned a lot about how they take care of animals. We also met a very nice dog named Tucker who let us pet him....What Fun!! ☺

### 2010-2011 Registration!

Registration is well under way. Soon it will be time to send in 3K and 4k registration forms. Make sure to keep up with correspondence from HPK so you are aware of the timing. You might also want to remind any friends that are interested for next year that registration is coming up. As you are well aware, securing a spot is not always very easy. I'm very excited that several of my students will be attending 5K here at HPK, and I know that the ones who are moving on will have many great things in store, as well!

### Looking Ahead:

- Progress reports will go home the second week of Feb.....practice, practice, practice!
- Start collecting pennies for our 100<sup>th</sup> day Pennies for Patients drive! ☺

I HOPE YOUR WEEK IS JUST  
JUBILENT!
