## Mrs. McGee's Classroom Newsletter

Bible Verse: "A friend loveth at all times."  
Proverbs 17:17

### Peek at the Week

Can you believe this is our last newsletter? It is hard to believe we have only one more week. Summer is just around the corner! I have enjoyed your children so much this year. They will always have a special place in my heart. I will miss them.

Our week was filled with sea life fun. We painted blue crabs, jiggling jellyfish, and colorful paper plate fish. We also decorated a cute starfish. We counted to ten to complete an octopus. We read many fun books about sharks, angelfish, and dolphins.

We matched shapes, practiced cutting, and completed evaluations this week. The children enjoyed ice cream sandwiches on Wednesday to celebrate summer birthdays.

### Happy Birthday

Kelly Molnar – May 24

Weston Cruskie – August 21

Have a great weekend and a wonderful summer!

### Looking Ahead

5/19 – End of the Year Luau Party

5/21 – Last Day of School

5K Graduation @ 10:00

### Progress Reports

End of the year evaluations are being sent home today. If you have any questions about your child's evaluation, please contact me. Please continue to review shapes, numbers, letters, and telephone numbers with your child over the summer so they will have a great start in 4K. Also, continue to practice name writing.

### Luau Party

We will have a school wide luau party on Wednesday, May 19. This will be our end of the year party. All parents are invited! Here is our schedule for that day:

10:00 – Food

10:45 – Sno Cones

11:15 – Slide

Please have your child wear flip – flops on Wednesday. This will be a lot easier taking off and putting back on for the slide. Thanks so much!
