

Mrs. Thow and Mrs. Godfrey's News

Feb. 1 - Feb. 5

A peek at the week

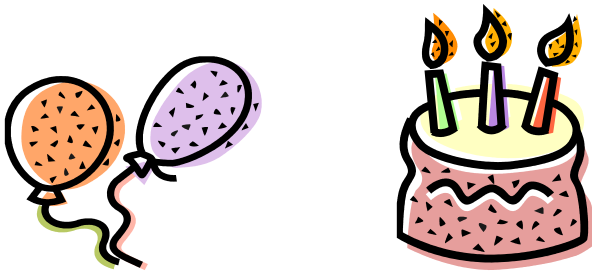

February is going to be a very busy and fun month at school. This week we will do activities themed around Groundhog's Day. We will then move on to the 100th Day of School and Valentine's Day. We will also discuss what we would do if we were president during the week of President's Day.

This week we will begin week two in our theme "Bug Surprises." Some of the stories that we are reading are Look Closer, Butterfly and Wonderful Worms. Our comprehension focus will be on identifying the main idea and retelling a story. I will introduce the vowel "o" and will blend /o/-/t/ to sound out words. Please try sounding out the following words with your child this week: hot, dot, got, not, pot, lot and tot. They will use these skills to read their decodable book that they will bring home at the end of the week.

In math, we will review adding, subtraction, sorting, and graphing. Telling time to the hour, and ordinal numbers (1st, 2nd, 3rd...) will be introduced. We will also have fun learning more about money. We are still working on writing our numbers. My goal is for everyone to be able to write to 100 before the end of the year.

February Birthdays

Ruth - 5th
Mariah - 20th
