Sing to the Lord with joy, everyone on earth.
Psalm 98:4

Last week we had an incredible time working with the letter I. We made inchworms, painted our favorite ice cream flavor and made pretend sundaes and some icky bugs. We even were treated to real ice cream sundaes on Friday. We also practiced the correct way to write the upper case I and lower case i.

Next week we will work on the letter Y. Please remember to practice at home.

Work on recognizing numbers 1-10 and all letters upper and lower we have studied so far this year. There are a few students that are having trouble with their numbers and letters.

ATTENTION

Any student that can identify all upper and lower case letters without help will earn a Gold Medal.

The children and I love this warmer weather. This allows us to go outside and play more. It is very helpful to have recess helpers. Please consider coming out for 30 min. and enjoying watching your child play. We have recess at 10:30
