Mrs. Ball's Classroom Newsletter

Letter of The Week!

You might be Upset to learn that U is our last letter. We've made it all the way through the alphabet, now all that's left is.....READING ☺! We will continue to work on U next week (since we've been so busy with our MFM crafts ☺), and then the rest of the year will be review and PARTIES!

Thank you for helping with the homework treats. The children loved it!

I hope all your May flowers are in bloom!

Reminders:

- Next week will be our last week of specials! ☹
- We will be working on progress reports so....practice, practice, practice.!

End of Year Party:

We will have a school wide end of year party that will serve as our class party. It will be a Luau on May 19th. Beth Prosser has arranged a slide, food, and snow cones! Parents may attend if they would like to, but do not feel that you MUST if you have other obligations. Aloha! ☺

Muffins for Moms!

I hope all you moms enjoyed Muffins for Moms as much as we enjoyed doing it for you. After you left, we talked about everything that our moms do for us and it was a BIG list. I especially want to thank ALL my moms for everything you've done for me these last two years. Every one of you has helped me in some way, and I feel very blessed that God saw fit to bring you (as well as your precious children) into my life. I hope you all have a wonderful and relaxing Mother's Day!

WE LOVE OUR MOMS!!

Looking Ahead:

- Wed., May 12th, will be the HPK Summer birthday celebration.
- Wed., May 19th is the end of year Luau.
- Our last day of school ☹ (and 5K graduation) is Friday, May 21st.

Have a MARVELOUS Mother's Day Weekend!!
