“A friend loveth at all times.” Proverbs 17:17

I hope that everyone had a nice Mother's Day. I am so proud of each child for their progress this year. We would like to thank you again for all of the treats last week for Teacher Appreciation week. We are truly blessed to teach your child every day. It seems like the year has flown by so quickly.

We are very proud of our students for doing such a fantastic job with their take home books this year. Our class read a total of 468 books! We are also impressed with their math skills. You all deserve a round of applause for your hard work. It will certainly pay off next year in 1st grade. Over the next two weeks, we will enjoy many planned activities and continue to rehearse for the graduation ceremony. There will be no more homework assignments sent home. This will be the last week for math tests.

All graduation caps and gowns have been sent home. Boys will need to wear khaki pants under the gown and a light colored shirt. Girls may wear a dress under the gown. This is a special day for your child. Please don't forget to invite your friends and family to the ceremony.

Looking Ahead
