

Kindergarten Korner

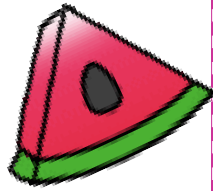

Director's Notes

Dear Parents,

Wow! Summer is upon us! Who could have dreamed it would come so fast. The Kindergarten staff and committee would like to thank all of the parents who have helped in so many ways during the year. Your willingness to get involved is amazing. Thank you for making our jobs so enjoyable. Most of all, thank you for sharing your children with us this year. It is always sad for us to "let them go". All along we knew they were really yours, but we've grown to love each one of them like they are ours! :)

Have a safe and happy summer.

Cheerfully,
Beth Prosser
