Morgan and her Mom had hard letters to find treats for this year. What can you think of that starts with the letter "U" to send in for the class to eat??? Thanks for sending in upside down cupcakes. They were unbelievable!!

We have finished studying all our letters. We will review the last 2 weeks of school. Don't forget our Summer Birthdays Celebration Wed. of this week. This also is our last week for Spanish, Art & Music. The last Progress Report for the year will come home next week.
