

Mrs. Richbourg's Class
March 14 - 18

**"Let the little children come
to me." Mark 10:14**

Summary of the Week

The students had great time learning about the letter K. We made Kisses, painted kites and read about kangaroos. Our class graphed the weather this week. We learned about greater and less than. We have been learning about the vowels and consonants. We are now writing our last names on our daily papers instead of our first names. J.P. brought the Golden Can with lots of K things. He shared Hershey Kisses, kite cookies, Kit Kats and kites with his friends. Thanks J.P.

Letter of the Week - J j

We will practice the letter J. This week we are reading the words **look** and **see**.

Math

We will practice calendar skills, weather skills, and counting. We are working on skip counting by 5 and 10 to one hundred. We will continue to work on greater/less than, writing numbers and graphing this week.

Coming Up

March 11 - No School

March 14 - PTC Meeting @ 6:30
