Day of School

Show and Share:

Lawson shared his favorite things with us this week. Some of them are his family and friends, fire trucks, monster trucks, airplanes, race cars, the books The Rainbow Fish and Zack's Alligator. Good job Lawson!

End of the Year Luau:

Our Luau will be on Wednesday, May 19th. We have a day full of fun planned. You are welcome to join us if you would like to. Our class will enjoy the food at 10:00, the games at 10:45, and the slide at 11:15. Please have your child wear flip flops for getting on and off the slide. Wear your Hawaiian attire and come ready to have some Luau fun!

A Peek at the Week and more:

This will be my last newsletter of the year. I can't believe it's over already. Thank you for sharing your children with me. I have enjoyed them so much!!

This week we made a crab, painted a rainbow fish, and made a jellyfish to hang in our room.

We read lots of books about sea life and learned some fun songs. We have also been reviewing for our end of the year evaluations. I will send them home next week. Please let me know if you have any questions or concerns. All the children are doing great and have learned so much. 4K here they come!

There will be no lunch bunch on Friday, May 21st.

Have a great weekend
and a wonderful
summer!!
