

Mrs. Thow and Mrs. Godfrey's News

May 10-May 15

A peek at the Week

Over the next two weeks, we will enjoy many planned activities and rehearse for the graduation ceremony. We will also squeeze in an ocean theme.

I am very proud of the children learning their speaking parts for the graduation ceremony. All family members are invited to share in this day. The children will need to be dressed in light colored clothing and boys will need to wear kaki pants.

There will be no more written homework or reading books sent home this year. We will continue to have math tests through this week. The practice test will be on Wednesday. They have done a super job with this!!

Bible Verse:

"A friend loveth at all times."
Proverbs 17:17

Thanks A Bunch!

Mrs. Godfrey and I would like to thank you so much for all that you did for us last week. All of the gifts and kind words were so appreciated! We are truly blessed.

Mark Your Calendar
