Dear Parent,

Summer is here. As you set your child's calendar, I hope you'll circle **July 27-31** for UBC's summer camp! Last year was a great experience, and this year will undoubtedly be just as much fun. This year camp will last from 9:00AM-12:00PM and will be for children age 3 through those entering 6<sup>th</sup> grade.

The theme of our camp is ***Water U Doing?*** Each day the children will hear a Bible story about water. They will learn about the lives of children living in Malawi, Africa, a place where water is scarce. They will make artwork, learn music, and participate in recreation.

On the evening of Friday, July 31 we will host a marketplace where the children will perform music and sell some of their artwork. The money collected from selling their art will be sent to the Watering Malawi organization to help dig wells, plant gardens, fill lakes with fish, and put restrooms in their schools. This is a wonderful opportunity for your children to learn about the Bible and another part of the world, explore their creativity, and serve others!
