

Riding the Crest Update

Building for the Future of Providence

This **Three-Year Capital Campaign** was launched in March of 2017 to provide funds for three purposes:

1. Provide Upgrades to our Existing Campus,
2. Provide Uplifts to our Historic Buildings and Property, and
3. Open the Treasure to our East Campus Property.

The Goal: Raise **\$2,300,000** over the three years to provide for identified projects that will preserve facilities and build for the future, Causing God Joy!

Current Pledges: **\$1,428,234** *[Additional pledges gratefully accepted!]*

Cash Received: **\$308,141** *[Make your contributions to "Providence Capital Campaign". Leave them in the collection basket, with the office staff, or the mail box of Carol Wilson, Treasurer.]*

The Promise: Use cash as received to complete the projects identified in the Capital Campaign.

Approved Projects: The first five projects have been approved by the Session. They are:

- A/C replacement units for the Sanctuary and the Chapel in the Woods.
- Detailed drawings to access the back property, allowing for the completion of the fire suppression system for the Youth Building and the Chapel in the Woods.
- Complete the fire pit and gathering area near the Youth Building to be used by our youth and mission groups.
- Landscape around the Mills Building.

Progress:

- Two 15-ton heating and air conditioning replacement units have been installed in the Sanctuary! Click [here](#) for more pictures.
- The air conditioning unit for the Chapel in the Woods will be installed soon.
