# FULL PARTICIPATION IS A HUMAN RIGHT

## 2019 CONFERENCE

---

Join us for our annual conference and arts festival,

### Full Participation is a Human Right—Moving Beyond Punishment,

a city-wide gathering that brings into focus the criminalization of race and its relationship to punishment; the extraordinary costs to individuals, families, and communities; and the need to elevate the human right to fully participate in the life of the community.

### THIS YEAR'S CONFERENCE AND ARTS FESTIVAL

will explore the on-going impact of enslavement on African Diaspora communities and the evolution of the punishment system, highlighting art as healing and as an affirmation of our collective humanity and advancing the right to fully participate in the life of the community.
