

Sock and Glove Collection Drive!

Join us in warming the hearts,
hands and feet of children in need.

The donations will be delivered to **Nido de Esperanza**. This is non-profit organization that provides resources and a support network and to mothers. They seek to break the cycle of poverty by changing the first 1,000 days of a child's life. Currently they serve the area of Washington Heights, New York City, and they hope to expand their work into The Bronx.

Drop off your donations of hats, gloves, and/or socks:

December 1 - December 30

Collections boxes are located in the Fellowship Hall
