

To Members and Friends of the Meeting House:

As part of the *Fulfilling Our Faith* program of the Old Presbyterian Meeting House, we have initiated a Planned Giving initiative. The plans we make for giving at the end of our lives are a way of living our faith. I encourage you to witness your faith by including the Meeting House in your estate plans.

Making a planned gift to the Meeting House is a way to express our gratitude for the blessings received throughout our lifetimes. These gifts will provide support for the church and its missions for generations to come, creating an endowment and a lasting legacy of faith and generosity. There are many ways to make a gift, ranging from a bequest, charitable gift annuity, IRA or life insurance policy, and charitable trusts.

We are all the beneficiaries of the gifts of the many faithful women and men who have graciously and generously given legacy gifts to make the Meeting House what it is today. What it will be tomorrow is up to us. Please take a few moments to read and reflect on the information in this brochure -- imagining, while you do, the kinds of things we might be able to accomplish not just for ourselves but for generations to come.

If you are interested in learning more about how to include the Meeting House in your estate plans, or about estate planning in general, please feel free to contact me at any time.

*Imagine the possibilities!*

Yours in Christ,

Robert R. Laha, Jr.
