## CALLING CREATIVE DE"SIGN"ERS!

Our sign on Mulberry Street is one of the first impressions people get of our church. It is an invitation to passersby to visit and find our more. You may have noticed that our sign has seen better days! How would you like to help with designing and creating a new one? If you'd like to help or to contribute funds, please contact Gigi Nicholas at 873-0014 or [nicholasmg@sbcglobal.net](mailto:nicholasmg@sbcglobal.net).

## BAPTISMS

We are currently planning an All Saints Day celebration on Sunday October 31st. We will also be having baptisms at the 10am service that day. I know that at least five families have already requested a baptism on that date and, truthfully, I don't remember who all of you are! So, be sure to contact me or Laura at the church office to receive and complete a request for baptism form if you will be requesting a baptism on that date! Thanks, Mother Kate.
