St. Mark's Lutheran Church (2499 North Helen Street, North St. Paul, MN) is seeking to fill two part-time worship and music leader positions. Desired candidates are creative musicians, able to work collaboratively as part of a team for the purpose of helping us connect with our faith in God through music.

Our congregation strives to consistently live within our Lutheran tradition and theology, while also engaging in new and creative ways of worship.

The positions are as follows:

1. **Contemporary Worship Leader**

We are seeking an energetic and engaging musician who can accompany congregational singing for our Sunday morning contemporary service and our 1/2 hour informal service on Wednesday evening. The Contemporary Worship Leader will also be responsible for selection of music in consultation with the Pastoral Staff, as well as recruitment and training of singers and musicians from the congregation to participate in leading worship. This is a 10-12 hour/week position.

2. **Organist/Choir Director**

We are seeking a worship leader who has the ability to play the pipe organ for our Sunday morning traditional service as well as direct our adult choir and handbell choir. The Organist/Choir director will be responsible for music selection in consultation with the Pastoral Staff, as well as recruit and train singers and musicians from the congregation to participate in the choirs and assist in leading worship. Special services such as weddings and funerals will be coordinated with other members of the worship team. This is a 12-15 hour/week position.

The Contemporary Worship Leader and the Organist/Choir Director will join our current part time organist/choir accompanist in forming a Worship and Music Team at St. Mark's.

**All inquiries and resumes may be sent to  
Pastor Mary Froiland at [pmaryf@stmarks-nsp.org](mailto:pmaryf@stmarks-nsp.org).**

St. Mark's is entering into a new chapter in our Music Ministry, as we seek to connect daily with our faith, reach beyond the walls of our church and joyfully worship God. We look forward to hearing from you.
