DISCLAIMER: The list of lymphedema treatment centers and hospitals with certified therapists does not mean an endorsement by the Lighthouse Lymphedema Network. We are simply giving you this list as a good guideline to use for reference only. Many individuals are claiming to be certified in lymphatic therapy; please check all credentials thoroughly. You are encouraged to inquire about fees and to verify coverage with your insurance company prior to receiving treatment.

Degree Abbreviation Definitions:

RN – Registered Nurse

PT – Physical Therapist

OT - Occupational Therapist

MT - MassageTherapist

LANA – Lymphology Association of North America

CLT, CDT, CSLT – The therapist has taken at least 135 hours of additional training to become certified in lymphedema management.
