

**DAYSRING FARM**  
**2020 CSA MEMBERSHIP**

Dear Subscriber,

We are making plans for our 2020 CSA (Community Supported Agriculture) spring/summer share and invite you to join our membership and enjoy receiving weekly bags of produce fresh from our farm. This is the 30<sup>th</sup> year for our CSA! We are one of the oldest and longest-running CSAs in Virginia. We are very grateful to our CSA members for helping us be part of the renewal of small-scale farming and contribute to the health of our land, bodies and communities. We are committed to the principles and practices of sustainable, regenerative agriculture.

We enjoyed a good growing season in 2019 though we had a couple serious heat waves and dry periods. The early part of the season was especially good and we were rewarded with lots of delicious strawberries and greens. This year we are growing an additional variety of strawberries called "Sweet Charlie." With a name like that we decided we had to try them! Many of last year's subscribers noted how they especially enjoyed the potatoes, tomatoes, garlic, sweet peppers, melons and squash. One of the pleasures of eating locally-grown produce is that you experience the changes in the mix of veggies and fruits from one year to the next. This year we are starting the distribution in early May and continuing for 19 weeks into early September. The cost of shares is \$580 for a full share and \$380 for a half share. You may pay for your share in full when you register, or you may pay a deposit of \$100 or \$50 to reserve your share, then pay the balance due by May 1.

The attached "Subscriber-Grower Agreement" provides more details about how our CSA works. To sign up, fill out the form below and return it to us with your payment. Let us know if you have any questions. We would be delighted to share the harvest with you this spring and summer.

Thank you for supporting our farm.

Blessings,

The Maloneys, Charlie, Miriam and Family
