## From Bryan's Crayon

Fall 2017

Hello, Friends!

It's hard to believe that summer is over and school is back in full swing. I know everyone had a fun and exciting summer, and I hope you are all ready for a great year with FBC Kids!

This summer was full of good times as we gathered for a fun "Super Hero" time at VBS, and Wonderful Wednesdays took us to DefyGravity, the Splash Pad, and the park for "Game Day." We laughed, played hard, and enjoyed spending time with our friends. It was a fun and relaxing summer!

As you know, "Back to School" is an exciting time as well, but it also brings with it full schedules and full stress. Our lives get very busy, and it can sometimes be overwhelming. The fun family times can get lost in the daily routines and busyness that come with full schedules. Life can get in the way of the very things that we all feel are important — God and family. The routine of overworking and overworrying can wear on us and on our children. Remember, our children take their cues from us, the parents. What is important to us will be important to them. Let's not let the busyness of our lives push

out the joy that only Christ in our lives can give. Model for your children the abundant life Christ promised by living freely, not as a slave to a schedule. My prayer for you is that God will give you times of rest and moments with your family that will be cherished forever.

May God continue to bless you.
